NOVEMBER 25, 2011
9 AM TO 6 PM

This year on Black Friday, Hudson Valley Outfitters will be donating a portion of its sales to The Haldane School Foundation. Join us in shopping there on Friday, November 25. You'll be supporting the school, supporting a local business, and supporting the environment by not expending gas on more distant shopping locales. With all that good karma accrued, you may want to think about picking up something for yourself !
