

AUGUST 9TH – 13TH H.E.L.P. 2010

(HALDANE/HUDSON ENVIRONMENTAL LEARNING PROGRAM)

IGNITING HALDANE ENERGY FOR THE 9TH YEAR! | 2010... LET'S MAKE IT LAST!

SOME 2010 ACTIVITIES INCLUDE:

- » A 5-hour kayak team-building adventure
- » A day at Glynwood
- » A 3-hour sail on the sloop Clearwater
- » A NYSERDA workshop
- » Poetry and arts program, *River of Words*
- » Guest speakers from local environmental and historical organizations
- » How to use your own schoolyard to accentuate environmental education in your curriculum
- » Gentle fishing in the Hudson – a long-time favorite

“Make It Last” 2010 offers participants a look at the Hudson River and the Hudson River Valley as places of ideas. We’ll learn about sustainable practices in food, energy and everyday living. How can these activities find their way into our curricula and into our lives so that we can “Make It Last”?

Two inservice credits are awarded to participants. You may participate in H.E.L.P. for three consecutive years and receive the two credits. You may not receive credit the fourth year, but may return the following summer and start the cycle over again. At the conclusion of the course, teachers are expected to create curricula for their classes utilizing some aspect of their experience from the week.
