

Old Souls Senior Scholarship for Environmental Studies 2023 **\$1000**

The Old Souls Haldane Senior Scholarship for Environmental Studies is awarded to the Haldane senior who meets the eligibility requirements and writes the most compelling essay on the need for Environmental studies/activism and the applicant's intentions to seek study/employment in the Environmental field. This scholarship is made possible with the generous support from Old Souls, a local Cold Spring outdoor outfitter, and owners James and Tara Carroll. The Carrolls opened Old Souls in 2013 with the intention of being a small business that focused on selling products which are intended to last a lifetime; to be repaired and not replaced and handed down therefore reducing waste and impact on the environment. Old Souls is a member of 1% For The Planet and donates 1% of all sales annually to non-profit organizations that are committed to sustainability and protection of the environment. In 2023, in tandem with The Haldane School Foundation, Old Souls is pleased to offer The Old Souls Haldane Senior Scholarship for Environmental Studies award of \$1,000.
